General Guidelines :

1. Please be at Huronia Centennial Elementary no later than 12:30pm. A Lions member will be outside the main doors to assign your group or float a number. This number indicates your place in the parade. This number will be on a marker along Simcoe Street. Parade destination will be the Arena.
2. We ask, for obvious reasons, that Santa and/ or Mrs. Claus not be included in your float or theme
3. No candy is to be thrown for safety reasons
4. Applications are accepted on a first come first serve basis until capacity is reach or the deadline has passed, whichever comes first.
